

# St. Joseph Academy

## Vision Statement

It is the vision of Saint Joseph Academy to **inspire** families, school and community members to focus on **building partnerships** that ***educate the hearts as well as the minds*** of children.

- ❖ Saint Joseph Academy will be a center for learning opportunities. We will be a teaching school in collaboration with the Adrian Dominican Montessori Teacher Education Institute and Siena Heights University.
- ❖ Saint Joseph Academy will seek up-to-date technological resources for students, teachers, and staff.

It is the vision of Saint Joseph Academy to **build a community of learners** that exemplifies excellence in education.

- ❖ Saint Joseph Academy will promote a steady growth in enrollment.
- ❖ Saint Joseph Academy will expect teachers / staff to use research and best practices in teaching.

It is the vision of Saint Joseph Academy, from toddler through middle school to **ensure** our students have **basic life** and **academic skills**.

- ❖ We will establish and be involved in outreach programs for the school community.
- ❖ We will assist students in becoming spiritual persons, effective communicators, self directed learners, creative problem solvers, resulting in good world citizens.
